March 18, 2020

**This message is from the School District of Mystery Lake.**

This morning we received a recommendation from the Minister of Education's Office.

Parents are encouraged to keep students home from school now if able. Absences this week should not be formally marked on student records and any examinations or marking this week should not affect student grades. Attendance will be taken for the safety of our students and parent information.

For educational plans, please watch for information coming from your student(s) teachers.

Thank you for your patience during this difficult time.

Angele Bartlett  
Co-Superintendent

Lorie Henderson  
Co-Superintendent
