School District of Mystery Lake

Success for All

Throughout the school year, pictures or video of students, you, your family, and staff are taken at a variety of activities and will be used in print and electronic forms. Some of these pictures are posted on the website, put in the school/district newsletter for everyone to enjoy, used in slideshows and/or videos, used in the Thompson Citizen, and/or printed and posted on bulletin boards throughout the school. This is an excellent way for your child to represent their school or receive recognition for their achievements. All photographs are published anonymously. Since your child may appear in some of these photos we require your permission to display them in the formats described above.
