As the School District of Mystery Lake utilizes Frontier School Division buses, the School District of Mystery Lake will adopt Frontier's protocols for bus ridership. School administrators will consult with senior administration in regards to any concerns regarding bus ridership.

Parents retain responsibility of supervision until such time as the child boards the bus in the morning and after the child leaves the bus at the end of the school day. The child becomes the responsibility of the school division when he/she is in the process of boarding the bus. Such responsibility shall end when the child is delivered to the regular bus stop at the close of the school day.

In view of the fact that a bus is an extension of the school, students shall be required to conduct themselves on school buses in an orderly manner. The Principal shall have disciplinary authority over all pupils of his/her school in their conduct towards one another on their way to and from school.
