### **Washroom/Change room Cleaning and Entry**

**Occupied washrooms are not be entered. Remember to be courteous and always use good judgement.**

#### **Procedure for entry into student washrooms/change rooms**

1. Before entering any washroom stop at the door (knock if possible) and announce yourself three times "Custodial Service", is anyone in this washroom/change room".
2. If anyone is in the washroom/change room do not enter. Wait for them to leave before entering the area.
3. If washroom/change room is vacant place the portable, expandable gate across the door way and (if possible) place custodial cart in a fashion which deters entry. Proceed to clean washroom.
4. If anyone enters while you are cleaning the washroom/change room you must leave the area immediately and wait for them to leave before continuing.
5. If a student becomes insubordinate and rude, do not engage with them. Leave the area immediately and report the incident to School Administration.
